

# Database and Infrastructure Administrator

November 2019

---

TargetPoint Consulting, a leading MicroTargeting firm in our Nation's Capital, seeks an energetic, creative professional to join their team as a Database and Infrastructure Administrator.

TargetPoint Consulting is a full-service public opinion and MicroTargeting market research firm lead by the nation's foremost experts, seasoned political managers, leading statistical experts, and respected analysts. We work to elect conservative candidates to office, and support those currently in office.

The successful candidate will:

- Have an interest in conservative politics
- Have experience developing and administering Microsoft SQL Server databases
- Have experience managing systems or technical processes across teams

## Responsibilities

---

- Managing high-availability production database servers
- Developing and maintaining data transformation processes in Microsoft's Azure environment
- Controlling and auditing user access and data integrity
- Managing and creating automated tasks for database backup
- Assisting in infrastructure maintenance; design and administration of information systems

## Qualifications

---

- Bachelor's Degree in Computer Science, Information Systems, Mathematics, or related field
- Experience or proficiency in Python or other object-oriented programming language
- Experience with Microsoft Azure data factory and Databricks
- Experience administering active directory, networking or other technical administration/systems admin experience
- Experience in developing and deploying SSIS packages preferred
- Strong problem solving and trouble shooting skills
- Ability to work independently as well as an ability to collaborate and communicate effectively with other members of the TargetPoint team

## Salary & Benefits

---

- Competitive salary based on candidate qualifications and experience.
- Performance bonuses offered on an annual basis.
- Full benefits package including healthcare coverage, HSA contributions, and 401(k) eligibility.
- Additional benefits including PTO, student loan repayment and college savings programs.

To apply, please send resume and cover letter to [infotpc@targetpointconsulting.com](mailto:infotpc@targetpointconsulting.com) with your name and the listed position in the subject line.
